RE: Murel Goodell
Oil & Gas Lease Bonds
Bond Nos. 400EZ 9044 & 400EZ 9045

Dear Mr. Snow:

In December, 1978 we executed two oil and gas lease bonds for Murel Goodell. In January of 1979 we were advised that Mr. Goodell passed away and the bonds were no longer needed. I wrote a letter to the Arizona Oil & Gas Commission (copy attached) inquiring as to how to terminate our liability under these bonds. A copy of their response is attached.

My problem is that they will not release St. Paul Fire and Marine from these bonds unless the request for cancellation comes from you as the attorney for the estate of Murel Goodell, Deceased. Is it possible for you to write a letter to Mr. Don Whittaker, Director of the Enforcement Section at the Arizona Oil & Gas Commission requesting cancellation of these two bonds?

If you have questions or wish to discuss this further, please feel free to call me at 602-263-1163 between 8:00 a.m. and 4:30 p.m.

Thank you in advance for your assistance in this matter.

of Hurricane, Utah

AUTHORIZED TO DO BUSINESS WITHIN the State of Arizona

Principal
as / are held and firmly bound unto the State of Arizona and the Oil and Gas Conservation Commission, hereinafter referred to as the "Commission", in the penal sum of Five Thousand Dollars (\$5,000.00) lawful money of the United States, for which payment, well and truly to be made, we bind ourselves, and each of us, and each of our heirs, executors, administrators or successors, and assigns jointly and severally, firmly by these presents.

The conditions of this obligation are that, whereas the above bounden principal proposes to drill a well or wells for oil, gas or geothermal purposes in and upon the following described land situated within the State, to-wit: W/2 SW/4, Section 12, T41N, R16W covered by State of Arizona Oil and Gas Lease No. 42038.

(May be used as blanket bond or for single well)

NOW, THEREFORE, if the above bounden principal shall comply with all the provisions of the Laws of this State and the rules, regulations and orders of the Commission, especially with reference to the requirements of A.R.S. §27-516, providing for the proper drilling, casing and plugging of said well or wells, and filing with the Oil and Gas Conservation Commission all notices and records required by said Commission, then in the event said well or wells do not produce oil or gas in commercial quantities, or cease to produce oil or gas in commercial quantities, this obligation is void; otherwise it shall remain in full force and effect.

Whenever the principal shall be, and declared by the Oil and Gas Conservation Commission in violation of the Laws of this State and the rules, regulations and orders of the Commission, the surety shall promptly:

1. Remedy the violation by its own efforts, or
2. Obtain a bid or bids for submission to the Commission to remedy the violation, and upon determination by the Commission and the Surety of the lowest responsible bidder, arrange for a contract between such bidder and the Commission, and make available as work progresses sufficient funds to pay the cost of remedying the violation; but not exceeding, including other costs and damages for which the surety may be liable hereunder, the amount set forth in the first paragraph hereof.

Liability under this bond may not be terminated without written permission of this Commission.

Dear Mr. Goodell:

Attached are drilling permits for the above referenced wells, also the approved applications to drill and approved copies of the performance bonds.

You will note on the application to drill the No. 1 well we have changed the footage from 330' FWL to 2636 FWL. Evidently your 330' measurement was from a quarter section line.

This Commission will require washed and packaged ten foot samples from surface to total depth on each of these wells. We will also require weekly progress reports. These reports may be filed on Form 29 "Sundry Notices", a supply of which is enclosed.

Also included in this package is a letter to St. Paul Fire and Marine of Minnesota. This letter, as you can see, informs the bonding company of the changes that you and Mr. Bannister have made concerning the location of these two wells. We are sending this letter to you because we do not know the address of the firm that issued these bonds. Will you please deliver this letter to your bonding firm and request them to write us a letter of approval of these changes.

If we can be of any assistance to you in your operations in Arizona, please let us know.

Very truly yours,

W. E. Allen

Re: Murel G. Goodell Bonds
No. 400EZ9044 & No. 400EZ9045

Gentlemen:

On the above referenced bonds, the legal description on the well covered by Bond No. 400EZ9044 has been changed from the W/2NW/4 to the W/2SW/4; the legal description on Bond No. 400EZ9045 has been changed from the W/2NE/4 and the E/2NW/4 to the NW/4E/2.

Will you please acknowledge, by letter, your acceptance of these changes.

Very truly yours,

Memo: W. E. Allen, Director, Enforcement Section
From: John Bannister, Executive Secretary

Mr. Murel Goodell contacted this office in person today. He left applications for the Goodell State Basin No. 1, E/2 NW/4 Sec. 16, T41N, R16W, Mohave County; and for the Goodell State Basin No. 2, W/2 SW/4 Sec. 12, T41N, R16W, Mohave County. Mr. Goodell was given Receipt No. 1259 in the amount of \$50.00 for Permits 699 and 700.

Mr. Goodell will drill the wells with his own equipment and intends to spud No. 1 on Monday, January 15, 1979. I gave him verbal permission to commence the No. 1 and advised that the permits will be issued and mailed to him at the Hurricane address.

Attached is a map showing the way to the two locations. Mr. Goodell advised that the most feasible way to get to Littlefield is through Las Vegas and suggested that overnight be taken in Mesquite.
